

Year One

Dear Parents,

The high frequency words have not been changed this week due to SATS. Next week is active week so the children are to come into school in sportswear all week (but no football shirts). On Friday it is sports day so your children will need to wear a T-Shirt of their house colour (Red – Hampton, Yellow – Kingston, Green – Richmond, Blue – Coombe). On Friday the children need to be at Dinton field at 8.50am.

Year 1 team.

English

In English this week we have started our new book *The Lonely Beast* by Chris Judge which we are all really enjoying. We have written lonely hearts adverts from the perspective of the beast adding the suffix 'ing' to the end of our verbs. We have also done some role play in partners pretending we were on a TV show interviewing the beast; we made up our own questions of what we would like to ask then took it in turns to play the beast and the interviewer.

TALKING POINT: Can you remember what the beast likes to do? What do you like to do?

Maths

In Maths, this week the children have moved on from looking at half of a shape and amount to looking at a quarter of a shape and amount. The children have continued to use the language, whole and equal. They have also realised that you cannot equally share an odd number or certain even numbers equally into quarters keeping the number whole.

Topic

In Geography this week we have been looking at our street, town and city. The children have drawn some beautiful pictures of their own streets, town and city. Can you name any London landmarks?

English and Maths books are coming home today for you to see your children's amazing achievements this term. There is a slip for your comments.

Please cover them, if they are not already done. Thank you.
