

Year Two

Dear Parents / Carers,

Congratulations Year 2 on all your hard work over the last fortnight. We are extremely proud of all your hard work. Well done! Next week we can enjoy a range of sporting activities with the arrival of Active Week.

We also had a wonderful day completing lots of activities to celebrate the Royal Wedding. The children looked amazing in their outfits and we hope you enjoy watching tomorrow!

English

We had good discussions in our class about the 100 Book Challenge and the children talked about which books they would recommend. Please do continue to read at home regularly with your children and ensure all books are in book bags on the correct days.

Math's

We reviewed many aspects of Math's learning in preparation for the quizzes at the end of the week. Next week our Math's will be based around sports including collecting data about our favourite sports.

Topic

Following on from our acting in the Great Fire of London Workshop we have explored eye witness accounts of the Great Fire of London and thought about what it might be like to experience this event in history. We wrote diary entries to include what we could hear, see, feel and smell.

Notices

We have sent home PE bags this weekend so that children can come to school in their sports kits for Active Week next week. Please make sure that your child is wearing trainers each day and sports clothing as we have activities planned throughout the week.

Sports Day will be held at Dinton Field again this year on **Friday 25th May**. Please bring your child to meet your class teacher **at Dinton Field at 8:50am**. Sports Day is due to finish at 11:30am. We always welcome parents to help walk classes back to school so please express your interest to your class teacher on the day. We would greatly appreciate your support.

School will finish at the usual time of 3:20pm next Friday 25th May.
