

This week's sounds

We have been looking at reading and writing 2 syllable words. Can you have a go at home? Maybe send some pictures through on Tapestry! Rainbow, snowman, cupcake.

Class Assemblies!

Poppy and Bluebell assemblies were fantastic! Sunflower assembly is at 2.45 on Tuesday 12th June (second week back). We look forward to seeing Sunflower parents there.

Half term challenge - Writing or Tapestry!

We would like you to reflect (like Owl) on your year in Reception at Fern Hill. What have you enjoyed the most? Also, what are you looking forward to in Year One?

Weekly News 25th May 2018

Poppy, Bluebell and Sunflower Class

Maths over half term

Why not practise these skills over half term: counting, recognising and ordering numbers to 20, finding 1 more and 1 less than a number to 20, and practical sharing, doubling and halving (using objects).

This week...

We have been very active! We've had multisports, dancing, the sponsored run, and not forgetting Sports Day! I wonder if we can keep some of it going over half term?

Our next topic...

After half term we will be learning about animals! We will be finding out about the different classifications in the animal kingdom, discussing our favourites and looking at maps, such as the Chessington Zoo map.
