

This week's sounds

We have learnt the alternative 'ai' sounds with 'ay' in lay and stay. We also looked at the spellings for 'igh' and 'ie' words and highlighted the difference between using the word 'I'.

Show and Tell

A reminder that **toys** for show and tell must be topic-based - please remind children to avoid disappointment. Home learning, special news and personal achievements are of course always welcome.

Maths

This week we have looked at *CAPACITY*.

Measuring and comparing different amounts of liquid. Why not estimate how many cups of water it will take to fill a bucket at home?

Weekly News

8th June 2018

Poppy, Bluebell and Sunflower Class

Sunflower Assembly

We are very excited about our last class assembly next **Tuesday at 2.45pm (12th June)**. Sunflower parents are warmly welcomed to come and watch us perform!

Our new topic...

Next week we are starting our new topic, Under the Sea! We will be finding out about all sorts of undersea creatures. Starting with Sharks and Whales next week! Can you write a fact at home over the weekend to bring in and share with the class?

PE Kits

Please remember to return PE kits! We do indoor and outdoor PE every week. Please make sure everything is labelled! The children need outdoor shoes e.g. trainers.
