

Year Two

Dear Parents / Carers,

We hope you had a relaxing break and are ready for the last action packed few weeks of term. We have started our new topic about the farm and look forward to our trip to Bocketts on July the 4th.

English

This week we have begun reading 'A Necklace of Raindrops.' We have enjoyed describing and acting out a terrible storm! We have worked on using expanded noun phrases and learned about personification.

Maths

This week we have been reviewing multiplication and division. We have looked at repeated addition and arrays and shown that multiplication can be done in any order but division cannot. Next week we will be reviewing addition and subtraction using number lines.

Trips

Polka Theatre - We are looking for parent volunteers to help on the trip so please to speak to us if you can help. We will be leaving straight after morning registration and returning about 3pm. Payment has been set up on Parent Pay so please ensure you have paid by 15th June.

Bocketts Farm – There are still many payments that have not been received from each class for the trip to Bocketts Farm. The deadline was 27th April so please can we ask to pay as soon as possible to ensure all children can attend the trip.

Notices

PE KITS – If you have not already done so, please could you return your child's PE kit to school.

READING BOOKS – To increase children's independence this half term, it will now be the children's responsibility to put their reading books in the box for changing each week. We will remind children as a class but will no longer check with each individual child that they have done it.

Book changing days are now as follows: Bracken – Monday, Clover - Wednesday, Heather - Wednesday.

Thank you for your support.
