

Year 5

Dear Parents and Carers,

Welcome back, we hope you all had a rested and relaxing half term break. It is hard to believe that we are in the final half term of Year 5. We have another busy term ahead.

This week in English we have been immersing the children in the book Floodland, which is all about climate change and dilemmas in a dystopian society.

In maths we have been focusing on the metric unit system and converting.

Mircosociety has started. You will hear more about this as the weeks go on.

Homework Reminder

English: This week we have discussed comma splicing and would like the children to practise this using the sheet provided.

Make sure you keep up with the reading and encourage your child to record what they have read in their Home-School diaries.

Don't forget to revise the times tables. 'Hit the Button' on the Topmarks website is a fun way of doing this.

Mrs Fox's Maths Group: Complete the sheets on rounding.
