

Under the Sea!

We have begun our new topic of 'Under the Sea'. We have explored estimating using creatures that we might find in the sea such as fish, crabs, starfish and sharks! We have used fish to count accurately and we found that lining them up helped us to do this.

Phonics

We have reviewed our sounds with the Jolly Phonics songs. We have also focused on the sound 'u' and thought of what might we find under the sea! Our 'have a go' writing challenge was to draw or write what we might find. What did you think of?

Clothing!

Please return any clothes that have been sent home with your child when they have been changed at school. We are missing lots of pairs of tights, trousers and tops! Thank you!

If you could please donate any socks to Daisy Class we would be very grateful as we are running very low!
