

Year 3

In English, we started reading a new book called The Zoo by Anthony Browne. We planned a short story about a dream the boy may have had. We wrote it up and tried to include suffixes, speech, noun phrases and adverbs. We have also looked at prefixes this week.

In Maths, we have been looking at fractions. We learnt to find fractions of shaded shapes, calculations to make a whole and equivalent fractions.

We have begun our new Science topic called Animals Including Humans and started to look at the human skeleton. Our new Geography topic is Maps where we study different types of maps and who would use them.

Homework Reminder

Literacy:

Complete the 'Add a Prefix' sheet. Choose a prefix to match the root word and complete on the sheet.

Extension: On the back, choose 4 words and put them into a sentence.

Spelling:

Please learn week 8 spellings.

Times tables:

Bronze: 10x Silver: 8x Gold: 9x Ultimate: 4x
