

Year 5

Dear Parents and Carers,

This week we have been writing letters in the role of Zoe from the story, Floodland. In maths, our main focus has been data and line graphs.

Microsociety has been continuing; Isle of Lime, Ashlantic and Sycamocracy are in existence with flags designed and currency in production. Next week the children will be thinking about the role that they want to play in society.

The children enjoyed a workshop and assembly with the local author, Cath Howe. Her new book, Ella on the Outside is now on sale in Waterstones.

There are several sporting competitions coming up for Year 5. Please ensure reply slips are promptly returned so that transport and adult support can be arranged as necessary.

We are looking forward to seeing you at the summer fair – fingers crossed for good weather.
