The club follows a carefully considered programme of creative projects covering drawing skills, painting techniques, working with different media and craft projects. Sometimes there is a seasonal bias and sometimes we learn about famous painters.
Dues to popularity we now run two Art clubs, one on Monday with Natalie, one on Tuesday with Maia. Both clubs are run by leaders who are fully qualified with an Arts degree. Magpie Makes is a local business specialising in stimulating children's creativity and bringing some extra colour into their lives.

NOTE: Costs cover the cost of all Art materials which are of high quality.
We take bookings on a first come first served basis, but when your child has a place they will be prioritised to keep their place each term if they'd like to stay on.
