## Important Notes:

1. Please make a note of the Club Dates. You will only be contacted in advance of the first session if your child **does not** have a place.
2. The number of places available per club each term is limited for quality control reasons. Therefore, we must apologise in advance for those we have to turn away after the club is full.
3. Science club fees are non-refundable (except in circumstances where your child either changes school or has prolonged illness/injury which prevents them from attending school). Please refer to our website for a full list of T&C.
4. Science clubs are operated by Mother Nature Science, UK Company Reg. No. 602811; VAT No. 941780413; Tel: 02088638832; Web: [www.mnature.co.uk](http://www.mnature.co.uk)

## Science System 3 - New Science Topics Every Week from:

It Won't Come Back- See what weapons were used thousands of years ago. Make and experiment with your own boomerangs.

Choppers- Understanding of how aircraft wings are shaped to create lift and construct model rotor blades

Kaleidoscope- Explore reflection & symmetry by making a kaleidoscope.

Let's go to the Movies- The world of animation: Thaumatrope's, Zoetrope's, Kinetropes and more.

Leaky Pens - Investigate the science of chromatography and create a kirigami artwork

The Mystery Powder- Use the basic process of fair testing and predictions. Identify a variety of different white powders and liquids.

Muscles- Discover the types of muscles there are in our body. Make your own model of the muscles!

Plasma Ball- Observe electrical conduction through fascinating experiments.

Super-Sized Space- The solar system, make a glow-in-the-dark solar system mobile

Show me the Way- Discover magnetic fields and make a floating compass!

Who'Dun'It?- Solve the crime using simple scientific forensic techniques.

**Hello - please keep the top half of this letter for future reference, especially for the club dates!**

# SCIENCE CLUB!

Have **FUN** with  
Enriching Science  
this Term!

With the environmental challenges facing our world today who wouldn't want their child to find science fun and engaging? That's why Mother Nature Science Club helps children achieve this by exploring a wide variety of scientific topics which are as entertaining as they are educational. Your children will watch spectacular demonstrations and participate in experiments and discussions; taking home cool science related items they have made themselves. At the start of each term we send you a 'Parent System Sheet' so you can see what your child is learning and continue to explore the science at home together! This is why our simple motto will always be - *"Let's Have Fun With Science!"*

#### Key Points:

- ✓ Fun, hands-on and enquiry based
- ✓ Meets National Curriculum science standards and aids STEM learning
- ✓ Fully trained & full DBS checked instructors
- ✓ Professional lesson plans & equipment
- ✓ Complements the science classes taught in school & prepares your children for a solid foundation in science
