

Year 3

We want to start by saying how much fun we had at Chessington Zoo last Friday. The weather was hot, sunny and perfect for seeing all the interesting animals. We enjoyed learning about bones and holding an African Giant Land Snail that felt slimy and cold.

In Maths, we have been recapping fractions of amounts and learning how to add and subtract fractions.

In English, we have been learning how to write persuasively. We had a debate about animals being sent into space for scientific research. How do you feel about that?

We have also been learning all about Ordnance Survey maps. We now know how to read the symbols and markings on the maps.

We hope you have an enjoyable weekend.

The Year 3 Children

Homework Reminder

Maths:

We would like the children to complete pages 26 and 27 in their Maths homework books.

Spelling:

Please learn week 9 spellings for a test on Friday 29th June.

Reading: Please continue to listen to your child read and encourage them to write comments in their diaries.

Date Reminder

Tuesday 3rd July

Country Dance Festival

Kingsmeadow Stadium

10-11:45am

Parents welcome to watch

Friday 13th July

Class change over day

Announcements

Badge Test on Friday 29th June!

We have sent the children home with their Math's books so that they can share their learning with you at home.

Please return the books on Monday 25th June.
