

Year 4

Dear Parents & Carers,

We are very close now to the most exciting trip of the year for Y4. Thames Young Mariners are ready for us on **Thursday 28th June**. Please remember to drop your child **at the centre, between 9:00am and 9:15am** on that day. Please do not forget to collect them from the same place on **Friday 29th at 2:00pm**. The long-range forecast is indicating it might be hot next week, so please remember to pop sunscreen, a named refillable water bottle and a hat into your child's bag. Naturally, they will need a rain jacket too - the English summer weather cannot be relied upon!

Please pack **WITH** your child so they can find things, and have a bag of dry clothes and shoes packed separately, as they will need those during the day. Please see your class teacher for the kit list if you have mislaid your letter.

The Finance Team has asked us to remind you that there are still some outstanding amounts to be paid. Please check with the office if you think that might be you.

Homework: PSHE – Healthy Hedge poster

The school would like to plant a pollution-removing, privacy-enhancing, environment-improving evergreen hedge along the full length of the KS1 playground. To do this we need to raise £7,000 to buy a mature hedge.

KS2 have been asked to produce posters advertising this initiative. We would like bright, colourful, eye-catching A4 posters, possibly with a fun slogan. The posters will then be used around the school area. Your poster should include the date of the ice cream sale (Friday 29th June after school), the Family Treasure/Quiz Walk (3pm-4:30pm, Saturday 14th July) and the Just Giving address where people can donate money: www.justgiving.com/crowdfunding/fernhillhealthyhedgefund

Our children are very aware of the effects of pollution on their lives and many feel strongly about such issues, now is their chance to get this message across and help their school to improve their local environment!
