

This week's sounds

We have looked at alternative spellings for some sounds we have already learnt. For example 'oy' in boy and 'ir' in bird. Please keep reading at home and write in the dairies as much as you can.

Maths

In Maths this week we have been looking at estimating. We have been practising using our counting skills to check our guesses and recording the answer. How many peas have you got on your plate?!
Guess...check...count!

Library books

The children have enjoyed taking books from the library. Their last visit will be next week. Children will need to retrain their books by Thursday 28th June.

Chessington Trip!

All three class enjoyed our trip to Chessington. We loved seeing all the different animals in their habitats.

The childrens behaviour was brilliant!

Thank you to the parents helpers for making it possible - you are amazing!
