

Year One

Dear Parents,

We have had a lovely hot week in school! Many thanks to all the parent helpers who came to help with the library trip, we had a great time. If you are coming to Birdworld you should have been notified by your child's class teacher or teaching assistant.

REMINDER: Tuesday 3rd July is our trip to Birdworld. Unless you have ordered a school packed lunch all children must bring a packed lunch and water bottle. If it is a warm day, please apply suntan lotion to your child in the morning and provide a hat. Many thanks.

Year 1 team.

English

In English this week we been looking at the difference between fiction and non-fiction books. Using their new found knowledge the children have used non-fiction books to find an interesting fact on the Rainforest and created a poster. We were really impressed with what they created.

Talking Point: Can you tell your family any interesting facts about the rainforest?

Maths

In Math's this week we have been looking at 3D shape, capacity and volume. We have named 3D shapes and looked at their properties. In capacity we have compared different amounts and looked at the vocabulary e.g – full, half –full and empty.

Topic

We have continued our topic on animals and this week have looked at carnivores, herbivores and omnivores. In computing we have copied and pasted images into PowerPoint. We have also had great fun learning a few country dance routines.
