

Year Two

Dear Parents / Carers,

Thank you very much to all the parents who offered to help on our trip to the Theatre today. We hope the children enjoyed the experience and seeing the play. We look forward to our trip to Bocketts Farm next week!

English

This week we identified the key features in a poem and then had a go at writing our own version of a poem based on Darkness. We have looked at the book 'The Dark' by Lemony Snicket and a poem called 'Greedy Darkness' for inspiration. Next week we will be writing a recount about our trip to Bocketts Farm.

Math's

We have enjoyed starting our 'World Cup' Math's investigations. We designed football kits to include 2D shapes and described the properties. We discussed the possibility if football was played on a triangular pitch, how would the rules change? We also looked at money and the cost of buying a programme and food if we were going to the football. We had to find amounts and also looked at change.

Topic

In Topic this week we have looked at the physical features of Brazil and compared these to physical features of UK. Next week we will be looking at human features of the two places.

Notices

End of year concert - If possible, please make sure you have Wednesday 11th July in your diaries. Our concert will start at 9.15am and we anticipate at this early stage that it will last around 45 minutes. We look forward to seeing you there.

School trips – We are looking forward to our trip to Bocketts farm on Wednesday 4th July. Please ensure that your child arrives to school on time as we are leaving at 9:15 on the coach. We hope to be back for dismissal at the normal time. Thank you in advance to all the parents who have offered to help and please let us know if you have any problems.

Tudor Houses

Please start collecting small cardboard boxes (cereal boxes are the perfect size) for when we start building our Tudor houses. Please bring these in, in a named bag, along with any other materials that you would like to use. For example, straw for the roof. We will not be making them until the second last week of term.

Vehicles

We will also be designing and creating vehicles as part of our Design and Technology. We would really appreciate small boxes (e.g. tissue box size) coming in to class.

**Deputy Head
Teacher's Award**

Due to our trip to the Polka Theatre we won't be doing any certificates this week.

Look out for the children next week!
