

Year One

Dear Parents,

Another busy week in Year One with our very successful trip to Birdworld. Thank you to all our parent helpers. We hope you enjoyed it as much as we and the children did.

With the hot weather set to continue can we please ask that every child brings a **HAT and a named water bottle**.

We are very sorry to have to stop the children bringing in their Pokemon cards as it has created too many conflicts and upsets.

Year 1 team.

English

In English this week we have continued our work on non-fiction writing using Ella Bailey's lovely book *One day on our blue planet in the rainforest* as inspiration. We have used our research on South America and the Amazonian rainforest as the backdrop for our writing.

Talking Point: Can you tell your family any interesting facts about the creatures we met during our trip?

Maths

In Maths this week we have been learning about mass and weight through practical activities. We have used balance scales to compare the mass of objects by weighing them and tried to find objects with the same mass.

Topic

Our trip to Birdworld was the perfect end to our topic on animals and habitats. The children were able to show what they already knew and gather some more facts to deepen their knowledge and understanding.

Year Two West Wittering Trip: You should have received a letter via ParentPay informing you of the seaside trip early next term. Please do come along to the briefing after the Year One concert at **10.15 on Tuesday 10th July** for more information.

Ramell

Just a reminder that the Key Stage 1 summer concert will be at **9.15am on Tuesday 10th July** in the large hall.

If you have not already done so, please ensure your child brings their outfit (party clothes) no later than Monday morning as there will be a dress rehearsal.
