

Year 4

Dear Parents & Carers,

We hope your children have now recovered from their exciting and active 2 days away at Thames Young Mariners. The staff team certainly slept well when they got home that Friday! The children were so resilient during the activities and many challenged themselves to do things they had never done before. We had such great weather, which was perfect for messing about on the lake in kayaks or on our rafts. The children were given the opportunity to have a bit of a swim too and some even chose to do the dreaded Dock Jump!

The TYM instructors were very complimentary about the children's behaviour during the different activities, which was lovely to hear. They were certainly full of energy and 'have a go' attitude throughout. Well done, kids!

I'd like to take this opportunity to say a thank you to the staff team, some of whom were borrowed from other year groups, and a special well done should go to the 12 lovely volunteers who stayed overnight. Thanks to all!
