

Year 5

Dear Parents and Carers,

We hope you are enjoying our balmy summer. This week and next week the main activity has been micro society. We had a successful run through with year 4 on Wednesday. Year 5 are now reflecting on this and working out how to make it even better for you.

In English, we have been writing an independent story based on our book Floodland. The children have come up with some creative and interesting alternative story lines.

In maths we have been reminding the children about multiplication and division. We are looking forward to revising and continuing with time as a topic next week.

Micro society will be on Thursday from 2 pm. The children are looking forward to showing you all their hard work and inventive businesses. Bring a little bit of 'real' money to purchase the class' muffins.

We will be making savoury muffins in school next week. Each class has chosen a recipe from the ones brought in for homework. We will make them class by class, in the afternoons, ready for you to buy on Thursday. This mini project links to our DT curriculum as well as citizenship whilst raising money for our charity.

We would really appreciate any offers of muffin/cake tins that you could send in on Monday please. We do not have a sufficient supply in school. You will be able to take them back by Thursday.

Have a lovely weekend.

Year 5 Team ☺

Homework Reminder

Micro society: All children to learn the words to 'The Greatest Show' song.

Date Reminder

July 9

Making muffins in school

July 12

Micro society Assembly

Announcements

Trip to France

Please can we request you check your child's passport to ensure it is valid at the time of the trip.

For the children travelling on the collective passport, your paperwork is being processed. If you have any questions about this please speak to the office staff.

Bikeability

Reminder for children on the second course to ensure they have their bike next week - in good working order and a helmet.
