

### This week's sounds

We have been revising all the sounds and blends we have learnt this year, and applying them in our writing to get ready for Year One!

### Next Week...

... Is our final week at school this year! We will miss the children so much! Please remember that on Friday we will dismiss early at **1.30pm**. Friday is also a Mufti (non-uniform) Day.

### Maths

This week we have been channelling the children's love of ice cream! We've been looking at money and coinage and talking about adding amounts and how to pay for items using coins under 50p.

## Weekly News 13th July 2018

Poppy, Bluebell and  
Sunflower Class

### Literacy

We have been writing about our favourite holidays and designing our dream locations. We've been talking about our plans and goals for the long break.

### Farm visit

The children really enjoyed our visit from the mobile farm. They met goats, pigs, geese and 2 donkeys. The children were very kind towards the animals. What a lovely summer treat!

### Summer Concert

Wow! Didn't the children perform brilliantly at our Summer Concert on Thursday? We are so proud of their efforts. Thanks for all your support with the costumes.

You should have received your child's reports yesterday. We love feedback so please let us know what you think of the report (and the year) using the form in the envelope. Thanks!
