

Year 3

This week in maths we have been learning about 2d and 3d shapes. We used this knowledge to help us design a 'Shape Garden' for Mr and Mrs Shape! Do you know what a 10 sided shape is called?

To help year 2 get ready for their move to KS2, we have been designing and creating leaflets and posters to tell the children all about life in year 3.

We held auditions for the KS2 Talent Show. The standard was very high but only one child per class could go through to the finals!

On Friday afternoon, we met with our new teachers! This was special and exciting. We will tell you all about this over the weekend!

From the Year 3 Children.

Homework Reminder

Homework has now finished for the year.

Optional Holiday Activities

- Complete more of the Home/school Maths book.
- Keep a reading record of the books you read (especially any from The 100 Book Challenge).
- Write a book review.
- Keep a holiday diary.
- Write and send a postcard to your year 4 teacher.

Date Reminder

Friday 20th July

Last day of school.

1:30pm finish!

Announcements

Beech class will be taking home their English books to share their learning with you over the weekend. **These books must be returned by Monday 16th July.**

We would like the year 3 children to bring in a strong carrier bag on Monday 16th. This will be used to send work home.
