

## Year 5

Dear Parents and Carers,

Sadly, this is our final newsletter which means that our time with your children is coming to an end. We've finished on a high with the fantastic Microsociety assembly. The children really rose to the occasion. Now they are balancing their books and reflecting on what went well and what, if anything, they would change. Thank you for coming to support the children. It gave them a great boost and sense of purpose. Thank you also for your contributions to our muffin sale. We managed to raise a grand total of £103.47, which will go towards our Hedge Fund.

We are concluding and rounding off work ready to hand over to their Year 6 teachers.

Next week we will focus on completing our science topic of materials and an art project to conclude mountains.

To celebrate all the children's hard work this year and their collaboration and support for each other, we will be having a party day on Wednesday. This will emphasize happiness which has been an important part of our ethos this year. We are calling it P Day. The children are invited to come dressed as anything that represents the letter P. This could be a colour, an animal, an object or character. Anything goes as long as they can justify their choice. We have planned fun activities for the day one of which is a pizza picnic in the afternoon. This will be cheese and tomato. Children should have their lunch as normal. **If your child has any allergies, please speak to your teacher by Monday.**

*Your support with cake sales has enabled us to prepare for this fun day – many thanks.*

Have a lovely weekend and a wonderful summer holiday.

Year 5 Team 😊
