

# Year Two

---

Dear Parents / Carers,

It was fantastic to see so many of you there at the Year two Summer Concert on Wednesday morning. The children put on a great show and it was pleasing to see that both the performers and the audience enjoyed the songs. Well done!

---

## Tudor Houses

We finished off our topic on The Great Fire of London by creating our own houses from the streets of London in 1666. We decorated boxes using white paint and black paper to create the Tudor style houses we would have seen at that time. We then lined up all of our boxes to create our own village! Mr Pantlin set fire to his own row of model houses to show us how quickly the fire would have spread.

---

## DT Day

After designing our vehicles and considering the equipment we would need, we enjoyed a day of making and evaluating on Design and Technology day. We enjoyed using our resources of wooden axels, different sized plastic wheels and also propellers to create our Wacky racing vehicles. After evaluating our designs, we took them outside to race in the courtyard. We tested our vehciles on ramps to see who had designed the best racers! Well done for your imagination and resilience during this project.

---

## Clay Animals

We also enjoyed designing and sculpting our own animals made out of clay. They will be coming home next week!!

---

## Notices

Books – All remaining reading and library books will be collected in on Monday. Please make sure you have these in school.

Parent Readers – Thank you very much for all your help this year. We have really appreciated all that you have done throughout the year.

PSA - Thank you to your support at the cake sales and the PSA who over the year have helped us to buy:

- Equipment for Art and D.T. activities
- Wheels and axes for vehicles

A note to say that next week children will not be able to play with Pokemon cards during playtimes. Please ensure they stay at home.
