

Next week:

Next week we will be starting to learn our sounds! Each day will be themed around a sound and we will learn a song to help us remember. We follow the Jolly Phonics songs which can be found on YouTube for you to sing at home!

Home Time:

Please be aware of other classes that surround our outdoor classroom whilst waiting for your child as some children have been finding this time distracting :)

If you wish to speak to any of the teachers please hang around at the end of the day to do so. Mornings are a busy time.

Our focus this week was:

Learning about rhyme. We focussed on finding rhyming pairs, e.g. cat, bat. Can you find any rhyming pairs around the house? What about sock and lock?

Weekly News 28th September 2018 Poppy, Bluebell and Sunflower Class

Afternoon Fruit:

We will be having afternoon fruit with left over fruit from the morning. If you would like to provide **fruit** for your child, please put it in their bookbag so they can eat it in the afternoon.

Maths

We have been looking at a number each day! This week we looked at 0, 1, 2, 3. Can you find any numbers in the environment? Please do send in any pictures of numbers you find. You could practice writing these numbers at home too.

Further Information:

This week your child will come home with their home/school learning diary. Please look through this to familiarise yourselves with it. Please leave them in bookbags as we will need them everyday at school!

Show and Tell

Friday will be show and tell day across Reception.

Please bring in items that are **topic based** and the children can talk about. This half term we are learning about 'Ourselves'.

The children are loving the creative area and we are short of supplies. Please can you kindly donate any clean, recyclable materials? Thank you.
