

Parent Helpers

If you are able to join us in Daisy Class as a parent helper we would love to hear from you! There will be a sign up sheet available outside the Daisy classroom door for you to let us know if you would like to come and help and which day/days you are available! Please sign up if you are interested!

Look and Listen Walk

Continuing with our listening theme, we took a learning walk around the school (inside and outside) to notice all the different things that we could see and hear. Can you remember some of the things that we saw and heard?

Our focus this week

We have explored Autumn and have read lots of fun Autumn stories. We went to the outside area to collect fallen leaves and looked at the different colours. We talked about our senses and what we notice in Autumn, e.g. 'I can hear crunchy leaves!'. Can you remember anything else that we could see, hear, feel, taste and smell?

Reminders

We are still waiting on some photographs of adults who will be collecting your children. It is **really important** that we have photos of **every adult** that will collect.

Please complete and return the **Tapestry permission letter** ASAP if you have not already done so.

Thank you to those that have already provided the above.

Wow Day Wednesday!

You should have received two sheets of WOW slips this week. Please fill in any **WOW moments** for your child (this can be any kind of achievement!) and pop in our special WOW boxes; we share these **each week** with the class on 'Wow Day Wednesday!'
