

## Year Two

---

Dear Parents / Carers,

We have had a great week! The children are working very hard and we are very pleased with all the effort they have been putting into their learning.

---

### English

This week we have enjoyed reading 'The Lighthouse Keeper's Lunch'. We have immersed ourselves into the story by sequencing images, becoming the character of Mr Grinling in a hot seating session and also writing a character profile. Next week we will continue the story and will look at letter writing.

---

### Maths

In Maths, we have continued our work on number lines with a focus on subtraction. We have been practicing adding tens and ones to a two digit number. We then solved subtraction problems using a number line. Next week we will be looking at inverse.

---

### Topic

In Topic this week we looked at the seaside, now and in the past. In Science we looked at the difference between carnivores, herbivores and omnivores and used Venn diagrams to classify animals. We celebrated Equalities week with a discussion about how, although everyone is different, it's important to treat everyone fairly.

---

### Notices

- Please remember that children should **not** be wearing earrings or nail varnish at school.
- We are looking forward to meeting you for the Parent Consultations next week.
- Library times – Thank you so much to the parents who have offered to help with changing library books. Each class will start as soon as possible. Clover and Bracken will be on Tuesday afternoon and Heather on Thursday afternoon.
- If there are any parents or carers who are able to help with reading on an afternoon (2.30pm) please do come and let us know.

### Deputy Head Teachers Award

**Bracken**  
Julianna  
Kian

**Clover**  
Ollee  
Avika
