

Year 5

Dear Parents & Carers,

What a busy first half term we have had - the weeks have flown past! It was lovely to meet so many of you at the Parent Consultations this week and to be able to involve the children in the discussions too. Thank you for taking the time to meet with us.

Thank you also to those who have volunteered to help with our Cinema trip. Each teacher will let you know as soon as possible if we will need you.

Please continue to work on the Moon Diaries through the half term break and send the sheets back in with your child in the first week back. Do not forget that the new term starts on Tuesday 30th October 2018.

We have been working on mental methods for addition and subtraction and have begun using formal written methods for addition this week. We have been focusing on our reasoning and problem solving skills especially. In English, we are writing non-chronological reports on our own planets, which are proving to be fascinating places!

Have a restful half term break.

Year 5 Team ☺

Homework Reminder

Maths

Please complete the sheet on addition, which your child will bring home on Friday.

English

Early in the next half term, we will be asking the children to write a book review. It would be helpful if you and your child would pick a book to read together over the holiday or discuss a book with them, which they have read recently and loved.

Spelling: This week the children should be learning the Y4 homophones (and we will test some of the Y5/Y6 words in the 1st week back). Please also have a look at the Y3/Y4 word list in your child's school diary and check they are familiar with spelling these. ***Your child may have been given an individual list of words to learn. If so, they should focus on these as a priority.***

Do not forget times tables and reading - daily!

Date Reminder

October 29th

INSET day – school closed to children

November 8th

Y5/Y6 Cinema trip
