

Celebrations

We talked about celebrations this week and thought about celebrations we enjoy such as birthdays, Christmas, Eid, Easter, Diwali, New Year and Bonfire night. What do you celebrate at home?

Please bring in any pictures of family celebrations for us to share with the class and display in the classroom!

Challenge!

With a grown up, can you have a go at using scissors at home? Perhaps you could try cutting along a zigzag line or cutting around a simple picture? Make sure you are always sitting down in a safe place and with a grown up to help you.

All About Me

We finished off our 'All About Me' topic this week by sharing our home made 'All About Me' posters with the class. We loved finding out all about lots of your special moments and favourite things! We loved hearing about the autumn walks you went on during half term too and we loved using the pinecones and leaves in our play!

Reminders

- Please make sure that you have paid for the trips that will be taking place this term. The total is **£7.05**. The easiest way to pay for these events is via ParentPay and this would be the preferred method of payment.
- If your child is unwell and will not be attending Daisy class **please make sure that you let the school office know**. Thank you.
