

Phonics

Our sounds this week were ck (sack), e (egg), u (umbrella) and r (red). Please continue to practise sounds and reading at home - little and often, making it fun!

Next Week:

Along with learning about space we will be thinking about Diwali and Fireworks!

Do you celebrate Diwali? Can you share your experiences with the class? Eg. photos, books, stories or come in and talk to the class.

Our focus this week:

We have been focusing our literacy around the story 'Whatever Next.' We have travelled through space and imagined what we may see!

Week ending 2/11/18

Poppy, Bluebell and
Sunflower Class

Show and Tell

Remember - show and tell is topic related and our topic is SPACE!

Christmas Concert!:

Our Christmas singing concert will be on **Tuesday 11th Dec at 9.15!** A more detailed letter will follow, but save the date! The children will be so excited to share some festive songs with you.

Maths:

We have been looking at adding one more to a given number. Why not see if you can add one more at home. Eg. there are three forks on the dinner table, how many will there be if I add one more?

Further Information:

We have started our space topic! We would love any tin foil, toilet rolls, kitchen rolls, plastic bottles, silvery items, torches, and anything else spacey! If you have any books about space that we could borrow for the day we would love that too!

URGENT:

If you have already volunteered to walk to Story Storks with us – we need you! Bluebell and Sunflower class need more volunteers to help walk to Story Storks with us, please speak to your class teacher if you can help.
