

Year One

Dear Parents,

Welcome back! We hope you have had a restful half term break and are raring to go! The children have all had a great first week back.

English

In English this week we have been looking the season of autumn. The children have used their senses to write fantastic autumn poems. We have also looked at fireworks and used onomatopoeia to help us describe what the fireworks sound like. We have been really impressed with the ideas the children have had. *Share some poems at home. Can you find an autumn poem? Bring them in to share with your class.*

Maths

In Maths this week we have been learning how to add two single digit numbers together and represent it in different ways. We have used the part/part whole model to show that adding can be done in any order.

Home Learning: Please go onto the Mathletics website and complete the assigned tasks. A log-in and password has been sent home this week.

Topic

In History we have learnt about Guy Fawkes and the gunpowder plot. We made 'wanted' posters describing Guy Fawkes. We've also made wonderful autumn art pictures using the autumn items the children collected.

A reminder that earrings are not part of the school uniform and should not be worn in school.

We are excited to be visiting Tudor Drive library next Thursday.

All parents who have kindly offered to help are more than welcome to join us.
