

This week's sounds:

We have learnt 'l' for lollypop, 'ss' for hiss, 'll' for hill. We are continuing to work with the children to learn their high frequency words (word wallet). Please continue to look at these at home. **Please write a comment in the red diary when you read at home!**

Tudor Drive Library visit

Reception enjoyed their session with the librarian. We loved listening to lots of different stories and look forward to visiting the library later on in the year.

Remember you can always visit the library and you are allowed to borrow 20 books!

Our focus this week:

We continued our Space topic this week and we looked at planets and the moon. How many planets can you remember? What interesting facts can you share?

Why not check out the SkyView app on an ipad or search 'Google moon' to explore further?

Week ending

16/11/18

Poppy, Bluebell and
Sunflower Class

Christmas Cheer...!

We have lots of fun Christmas activities planned in the next few weeks. In addition to Story Storks and the EYFS Panto, Reception Christmas Concert is on Tuesday 11th December at 9.15 and the PSA Christmas Fair is on Friday 14th December 2018 (after school).

Maths

In Reception we are learning about the value of numbers.

This week we have been exploring number two. We have been exploring number two in lots of different ways. For example $2p$ and $1p+1p = 2p$, 2 o'clock.

WOW and thank you:

Thank you to all those who donated so generously for Children in Need! The children had such fun, and all for a great cause.

The children are keen to make things! Please bring in any recycled materials (junk modelling) from home. Please bear in mind these need to be clean, no meat containers or food that contained nuts, thank you.
