

Shapes

Can you remember some of the shapes we looked at? (circle, square, triangle, rectangle, oval, star...and our tricky shapes hexagon, pentagon, octagon!)

We went on a shape hunt to find shapes in the Daisy classroom and garden and made our own pictures using these shapes.

PE

Daisy Class (AM and PM) have PE in the hall each Monday. We remove our shoes and socks for PE and we encourage the children to be as independent as possible. We are already so impressed with their dressing skills! **No tights on a Monday please.**

Sound of the week

We learnt our first sound of the week this week! '**s**'! We had so much fun thinking of different things starting with the '**s**' sound. We used our looking eyes and listening ears to explore Daisy class. We made squishy spaghetti paintings and made playdough snakes and sausages!

Daisy Class

Elmer

We have really enjoyed exploring patterns, shapes and colours with Elmer this week. We have loved reading stories all about him too.

Home Challenge: Can you make your own milk bottle Elmer? You can decorate it in any way you choose! We can't wait to see your creations!

Reminders

Please ensure that you have provided your contact information to your class reps (AM and PM) in order to contact you about all of the exciting events coming up!

Please avoid sending children to school in lace up shoes.

Thank you for your continued support.

Teddy Tennis

Every Friday we have been lucky enough to have Teddy Tennis come and play tennis games with us. We have had so much fun learning tennis skills with Callum Bear and Alex Bear!
