

## Year One

Dear Parents and Carers,

We sent home the Christmas show lines and song words this week the children are all very excited! If your child has a speaking part please be aware that we **do not** expect them to know them off by heart but could you please help them practise their lines in a nice, loud voice.

### English

In English this week we have continued reading 'Whatever Next'. Using the planet the children designed last week they have described the planet, the creature who Baby Bear met and the games that they played. The children thought of fantastic adjectives for all their sentences. *What adjectives can you use to describe someone in your family?*

### Math's

In Math's this week, we have been comparing numbers using the greater than, less than and equal to signs (< > =). The children have been comparing multilink, counters, numbers and number sentences. *Can you remember who Blockzilla likes to play with? (watch Numberblocks Blockzilla episode on you tube)*

**Topic:** In RE this week the children have been learning about the features of a church. The children designed their own churches remembering to include features like a cross and stained glass windows. *What do you think we might see inside the church when we visit?*
