

Year One

Dear Parents and Carers,

The Christmas concert is on Wednesday 12th December at 9:15am in the Large Hall. **The children must come dressed in their outfits and bring their school uniform in a bag in order to change after the performance.** We look forward to seeing you there!

English

In English this week we have started our new book *Man on the Moon* by Simon Bartram. The children have had an immersive week where they have acted out Bob's jobs and drawn pictures of Bob's day. They have written a list of job in order to tell Bob's replacement what he needs to do.

Maths

In maths we have looking at the 'teen' numbers up to 20. We have learnt how to write the number in words and match it to the numicon. We have filled out double ten frames to make the teen numbers and started investigating how to partition a 2 digit number. To do this, we use dienes to show tens and ones.

Topic

In science this week, we have learnt about animals who hibernate in winter.

In RE, we have looked at internal features of a church and designed our own stained glass windows.
