

Number of the Week!

Our number of the week this week was 'Number 4'. We explored the number and thought of lots of things that have 4! We had a go of writing the number 4 and finding a group of 4! Check out our ever changing 'Number of the Week' display board near the carpet area!

Thank you!!

Thank you so much for all of your generous festive donations. We are so grateful for the variety of craft materials and Christmassy items that you have given us. The children have already started creating with them and will continue to use them until the end of term, bringing lots of fun and creative opportunities!

Christmas Party and Panto

The two classes joined together seamlessly as they celebrated as one big Daisy team for their Christmas Party. It was heart warming to see them all sharing food and pulling crackers. They were a fantastic audience for the pantomime too with plenty of booing and cheering. We were so proud of the Amazing Daisies!

Daisy Class

Christmas Concert!

Wow! We were so proud of Daisy Class for their brave singing at their concert! There were so many grown ups watching and the children rose to the occasion, singing, smiling and of course jingling their jingle bells! Photos will be available for purchase.

Class reps!

A HUGE thank you to our class reps. Your organisation has been fantastic and of great benefit to Daisy parents and staff. Thank you for your help arranging food for the party and helping share important messages leading up to the event! Thank you to all the parents who contributed food, drink and other festive items!

Christmas Preparation

We have enjoyed an action packed two weeks of Christmas preparation! We have baked mince pies, made decorations, festive pictures and christmas crafts. We even worked together to create a magical grotto! Daisy Class is a glow of sparkles, glitter and tinsel!
