

Year One

Dear Parents and Carers

Thank you to all those parents and carers that attended the Year 1 Christmas concert. The children all looked lovely in their outfits and sang beautifully. Well done to all the children who learnt their lines and said them so clearly.

English

In English this week we finished our book 'Man on the Moon'. We wrote questions to Bob in order to find out what he does on the moon followed by writing why we would be best suited for the job. We have focused a lot on adjectives this week and used persuasive adjectives to visit the moon.

Maths

In Maths we have continued looking at the 'teen' numbers up to 20. We have explored these numbers using dienes and can partition a 2 digit number into tens and ones. We have compared numbers using the <, > and = signs, found one more and one less of a number and ordered numbers from smallest to greatest.

Topic

In topic we were given part of a picture from 'Man on the Moon' which we had to complete using pastels. The results were beautiful. We also drew ourselves as astronauts using a photo of our face.

Thank you so much to all of the parents who have helped us by listening to readers or coming on the trips with us. We really appreciate it.

Martha

The children have brought home their English and Maths book for the weekend. They are excited to show you the work they have been doing. Please look through them together and leave a nice comment for your child in the book. Can return the books to us on **Monday**.

In phonics this week we have been learning;

Mrs Torres and Mrs Aurelius' group: oi, er, igh, ear

Mrs Rodrigues and Miss Taylors' groups: ire, ear and ure.

There are lots of fun games on the Top Marks Website that help with practicing phonics.
