

Year Two

Dear Parents and Carers

We are so proud of each and every one of Year 2 for collaborating and producing such a fabulous performance! We hope you enjoyed the show!

We look forward to seeing many of you at the Christmas Fair this afternoon.

English

This week we have been writing our letters to Theresa May about the plight of endangered animals. Children produced some fantastic work using persuasive writing techniques and high quality vocabulary. Next week we will do some grammar activities focused on Christmas.

Maths

We have finished the term on addition and subtraction looking at subtraction. We used partitioning to subtract two digit numbers and applied this through problem solving. Next term our focus will be on measurement.

Topic

In Art, we made our Christmas Calendars for the new year. We have also enjoyed completing a 'Winter booklet' full of fun activities. In Science we have finished our unit of work on living things and habitats and this week children designed their own animal looking at adaptation.

Notices

Next week the children will be bringing home a reading paper that they have had a go at this week. Please look over this during the holidays and return them to school on **Tuesday 8th January.** We are very proud of all of the children for giving them a good go and trying their best, this is the first time the children have tried this and we will be doing lots more practices throughout the year.

Please remember that the school day finishes on Friday 21st December at 1:30pm. Also please be aware that Thursday (Class Party Day) and Friday next week are mufti days. Thank you so much to all the Class Reps for their help this term especially in the organisation of the Party Day.

Thank you for all of your support this term. The Year 2 team would like to wish you all a very merry Christmas and a happy new year.
