

Clothing!

Please return any clothes that have been sent home with your child when they have been changed at school. If you have any spare pairs of socks or tights that you are able to donate we would be extremely grateful! Thank you!

Winter crafts

This term we are exploring winter and we would love some donations to help us craft! Please could you donate anything winter related for us to use; cotton wool balls/pads, glitter, lollipop sticks, wrapping paper/kitchen roll tubes, doilies, pipe cleaners and anything more you can think of! Thank you so much for your continued support!

Self registration

To support the progress of name writing in Daisy, children will be signing in each morning. Once the children have located their daisy, they can use it to help them to write their name on the orange table nearest the door. Please support them as they get used to this new challenge.

Daisy Class

Winter

We have had such fun exploring Winter! We have been looking at the clothes that we wear in Winter. Can you name some of the items you will need when you go out on a cold day? (*hat, scarf, earmuffs, boots, gloves*)

We have been matching different patterns and colours of mittens and designing our own warm clothes!

Growth Mindset

We have used New Year as an opportunity to remind ourselves that we are always learning, whether we are a child or an adult. We have to put the effort in to see the results. We all have our own targets and we should strive to be the best that we can be! Remember the power of yet!

Number of the Week!

Each week in Daisy Class we focus on a number of the week. This week we have been looking at number 6! We have talked 6 sides of shapes, siblings who are 6 and the 6 sides of a dice. We are really enjoying learning a new number each week!
