

## Year One

Dear Parents and Carers,

Thank you for all the parents that came along and helped out with the trip to the Mosque the children learnt a lot and enjoyed themselves. They had an informative talk from sister Jan, who told them all about what happens at a mosque as well as looking at some of the features inside. They had a go at writing their names in the Arabic alphabet!

### English

*In English this week we have continued with the book: Lullabyhullabaloo! by Mick Inkpen. The children have created their own characters and written their own Lullabyhullabaloo rhymes. The children have also looked at nouns and proper nouns and the difference between them.*

**Talking Point:** Can you remember what the difference is between a common noun and a proper noun?

### Mathematics

In Maths this week we have been revising the number bonds. The have revised their number bonds to 10 (pairs of numbers that make 10) and used this to help them work out their number bonds to 20. They children have worked practically with the tens frame, part and part whole model and counters. **How many number bonds to 20 can you remember? How does knowing your number bonds to 10 help you with your number bonds to 20? E.g.  $8 + 2 = 10$   $18 + 2 = 20$**

### Topic

In Geography this week we have been looking at the weather. We have thought about what sorts of activities we can or can't do in different weathers and the clothes we wear in different weathers.

In ICT this week we have thought about keeping safe when we are on the internet. The children learnt that they should keep their personal information private as well as telling an adult if they come across something that upsets them whilst online.

**Talking Point:** Can you remember what Zip it, Block it and Flag It is?

### Deputy Headteacher's Award

#### Lavender

Kajus

Megan

#### Cornflower

Davide

Ava

#### Foxglove

Rateel

Trey

**Please bring in a cereal/shoe box if you haven't already done so for Arts Week next week.**

**We would also love any old newspapers.**

**In phonics this week we have been learning;**

Mrs Torres and Mrs Aurelius' group: ea. (teach) ou (cloud)

Mrs Rodrigues and Miss Taylors' groups: ea, oy, aw and ue.
