

### Yoga

Each week during our PE session Daisy AM and PM have been enjoying learning to do Yoga! We have loved learning new moves and doing lots of stretches and balances in the hall! We have all shown fantastic resilience with this!

### Arts Week

This year the theme is **Stories and Illustrators**. We explored the book '**Birds by Kevin Henkes**' and created lots of artwork. We made clay birds & nests, explored colour mixing, made our own bird feathery masks and even used feathers as paintbrushes! Make sure you come in and see the wonderful art on 7th and 8th February from 3.30-5pm.

### Self registration

Your children have taken to the new self registration activity beautifully and we are really proud of them! We have noticed how much more confidence they show when writing their name and they are even trying new letters and sounds! Keep on going and never give up!

## Weekly News

Daisy Class

### Sound of the week

This week we have learnt a new sound of the week, the sound 'h'. We learnt it with Mrs Hibbard and we were very excited to notice that Hibbard started with the 'h' sound. We thought about all the words that start with 'h' and learnt a song and action for the new sound.

### Number of the week

Our number of the week this week was number 7! The numberblocks helped us to explore the number. We loved hunting for seven items in Daisy Class and we even had a challenge to make the number 7 by adding different numbers together! Our favourite was 6+1!

### National Storytelling Week

Next week (w/b 28th January) is National Storytelling Week. Please let us know if you would be interested in coming into Daisy Class to read a story with the children. Please see the Daisy Team if you have any questions.
