

Arts Week - Birds

Daisy class had so much fun during Arts week last week that we squeezed in even more bird fun this week! We found out lots about birds, where they live and what they do in the winter! Can you remember the tricky word? (migrate) We made cupcake case birds, binoculars for bird watching and bird feeders! Make sure you come in and see the wonderful art on 7th and 8th February from 3.30-5pm.

Cake Sale

Thank you so much to everyone who donated baked goods and their time for the Daisy Class cake sale on Friday! The children were very excited and loved talking about the cakes that they had shared! We look forward to finding out how much was raised and deciding what to spend it on!

Sound of the week

This week we have learnt our new sound 'o'. We thought of lots of words beginning with 'o' (orange, onion, old, octopus, olive) and even spotted them in our names! We learnt a new action, a new song and had a go at writing 'o'! We noticed that its a circle shape too!

Daisy Class

Kind hands and kind words!

We have been talking about how important it is to have kind hands and to use our words. We thought of how we could use kind words and how using a calm, gentle voice is much nicer than shouting when we want to say something. We also thought about how lovely it is to celebrate each other and say kind things to one another. It makes the other person feel good and it makes us feel good too!

Number of the week

Our number of the week this week was number 8! We loved meeting a new numberblock and exploring the number! We had great fun drawing lots of looping number 8's! We thought about 8 legs on a spider and 8 tentacles on an octopus!

Turn taking Game

We played lots of turn taking games in Daisy class this week. We were really patient and waited for our turn and were super helpful at giving our friends clues too! This has really helped us with our sharing and waiting. You might like to play one of these game at home too!
