

Year One

Dear Parents and Carers

We have been continuing with Arts Week this week. The children created Mr Men tiles out of clay and painted them in bright colours. We have also been finishing off the wonderful artwork we started last week. We are all really excited to show you what we have been doing on the 7th and 8th February.

English

We have started our new book this week 'Lila and the Secret of the Rain' by David Conway and illustrated by Jude Daly. The story focuses on the importance of water and the effects it can have if there a limited supply. We have acted out how Lila feels during different parts of the story and thought of adjectives to describe the different weather throughout the book.

Maths

In Maths this week we have been focusing on subtraction through crossing out. We have used twenty frames to calculate subtraction sentences. We have compared subtraction sentences using the inequality signs (< > =) and applied this to the part whole model to find missing numbers.

Topic

In PE this week we have tried some African dancing using a floor clock to help with our foot movements. We have been doing some excellent hip movements!

We are going to Tudor Library on Tuesday 12th February. Classes will be leaving at the following times:

Lavender - 9.15 am

Cornflower - 10.00 am

Foxglove- 10.45 am

The trip usually lasts about an hour and a half. If you are able to help with walking the children from school to the library and back again, please inform your class teacher.

We need 5 helpers per class!
