

Year Two

Dear Parents and Carers

We hope you managed to come along to one of the open evenings to view the amazing art throughout the school and especially Year 2's amazing creations linked to the illustrator and author Lane Smith.

The children were delighted to receive a response from their letters to Prime Minister May this week. Sadly, it appears she is a bit busy right now, but her office praised the children for their knowledge of the key issues. They have has passed our letters to the Department for the Environment.

English

This week, we have been reading and looking at Fantastic Mr Fox by Roald Dahl in more depth. We have using our understanding of first person to discuss and write a persuasive case for why Mr Fox should not be punished for taking the farmers' chickens.

Maths

In Maths, we have been exploring multiplication as equal groups and how it links to repeated addition. The children have been using practical resources to represent a problem and then using these to write the addition (+) and multiplication (x) equations.

Topic

Thank you to all of you who sent in socks for the science investigation. The children really enjoyed making a predication, measuring their socks and then using weights and metre sticks to work out who had the stretchiest sock!

Talking Point: How did we ensure the investigation was fair? Which things changed and which things stay the same?

Notices

As the weather is getting increasingly cold, please make sure your child has the appropriate **PE kit** in school. This should be made up of a pair of dark coloured tracksuit or joggers, plain white T-shirt with the school logo, and a dark coloured sweatshirt.

Class assemblies happen this half term. They are at **9.15 am on Thursdays** on the following dates:

February 14th – Clover Class
