

Transport

We had such fun exploring our new topic this week. We looked at different transport and talked about where they travel (sea, road, sky, tracks). We looked at old and new vehicles too. We enjoyed reading lots of different transport books, our favourite was 'Mr Gumpys Motor Car'!

Number of the week

This week our number of the week was '10!' We were so excited to have made it to a two digit number and loved meeting a new numberblock!

Sound of the week

We recapped all of the sounds that we have learnt so far (s, t, a, n, p, i, h, c, o, d.) We have done so well to learn them and have remembered the actions brilliantly too!

Shapes

We reviewed our four main shapes - circle, triangle, square and rectangle. We counted how many sides they had and how we could tell the difference between a square and a rectangle. We made train pictures using shapes, maybe you could make a shape picture at home!

Daisy Class

Next half term

This half term has flown by! It is hard to believe that we are half way through our year in Daisy Class. The children have grown up so much and are progressing by the day! Have a lovely half term break and we look forward to welcoming you back, hopefully with some warmer weather and a few signs of Spring next half term!

♥ Valentine's Day ♥

We indulged in all things red and sparkly on Thursday when we learnt about Valentine's day and thought of those we love and why they are special to us. We played with red playdough, red sparkly sand and water and created lots of pictures using hearts!

Library Books

Please make sure that you have returned **ALL library books** to Daisy Class. We have a very high number of outstanding books. Please have a look over half term for any you may have.
