

Year One

Dear Parents and Carers,

Thank you to all the parents who accompanied us to the library this week. All the children were really well behaved and thoroughly enjoyed the trip. We hope you all have a wonderful half term break and look forward to seeing you back on the 25th February.

English

In English this week, we have continued with the story of Lila and the secret of the rain. We have written our own sentences about what the hot weather stops us from doing as well as the effects drought has on remote villages. We were really impressed with all the thoughtful ideas the children wrote.

Talking Point: Can you remember any of the effects of drought?

Maths

In maths this week, we have securing our addition and subtraction knowledge by sorting statements into true and false boxes using a number line.

We would like you to complete as many of the addition and subtraction objectives on mathletics possible over half term.

Topic

In PE this week we continued to focus on ball skills.

The children made beautiful valentine's day cards in Art.
