

5th Feb 2019

Dear Mr Scott

As my time at Fernhill is sadly coming to an end, I thought I would ask if you would give permission for the school to help me raise some money by taking part in an odd sock day for a charity me and my family are members of. The charity is called 21 and co, and it is where I spend my first few years learning to do sign language. 21 and co helps support families who have children with Down Syndrome, and as Thursday 21st March is down syndrome day, I thought an odd sock day would be amazing. Odd socks were also chosen as a symbol for

WDSO because chromosomes are shaped like socks, and those with down syndrome have an extra one.

I looked forward to your reply.

Kind regards,

Hannah Clark - Elder class Year 6
