

Year One

Dear Parents and Carers,

What a busy week we have had! We had a wonderful day on Thursday for World Book day and were really impressed with all the children's costumes. We were also very pleased with all the children who participated in the book in a box competition. It was very tough choosing a winner! Congratulations to all those that won.

English

In English this week we have been continuing with the story 'What the ladybird heard'. We have written instructions for Lanky Len and Hefty Hugh to help them find the fine prize cow using positional language - e.g Turn left past the barn. We have also used adjectives to describe Lanky Len and Hefty Hugh and make wanted posters. What adjectives can you use to describe different family members? Can you describe their appearance and personality? Listen to the What the ladybird heard song by Julia Donaldson on youtube.

Maths

In Math's this week we have been looking at place value to 50. We have found one more and one less of a number and used the inequality signs ($<$ $>$ $=$) to compare and order numbers up to 50. We have been doing lots of lovely practical work using dominoes, dienes and hundred squares. Play splat the number using a hundred square here... <https://www.primarygames.co.uk/pg2/splat/splatsq100.html>

Topic

We started our Geography topic this week on our local area. We have had a look at our homes on google earth and were all really excited to show everyone where we lived. We were so impressed with how many children knew their address. They made lovely collage houses in art. Thank you to all the parents who came and helped on the local area walk, the children loved exploring our local area.

We have sent home your child's English and Math's books for you to have a look at over the weekend ahead of parents evening next week. Please go through the books with your child and make a comment on how you think they are getting along. Please return the books on MONDAY. Thank you.
