

Year Two

Dear Parents / Carers,

We have had another action-packed week in Year 2! We really enjoyed our Florence Nightingale workshop and celebrating World Book Day. We were amazed by the range of costumes and the really creative and detailed book boxes that were brought in. It was clear a lot of hard work had gone into both of these!

English

This week, we have completed our work on 'The Bear and the Piano'. We wrote our own version of the story over three days concentrating on using a range of conjunctions and adverbs in our writing. At the end of the week, we had a chance to use our imaginations and decide how the story would end.

Maths

This week, we have completed our focus on shape. We have looked more closely at 3D shapes and identified the edges, faces and vertices. We went on a shape hunt around the school to see 3D shapes in real life. We finished the week looking at the different ways we could classify shapes depending on their properties.

Topic

On Tuesday, we enjoyed a visit from Florence Nightingale who helped bring our topic to life. She told us a lot more information about what it was like for her and we used drama to understand more about the role of soldiers and nurses in the Crimean War.

Talking point: What would you like to be when you grow up?

Notices

Please ensure that your children only bring in the essential items to school e.g. book bag, reading book and record, spelling journal and water bottle. To ensure our lovely new reading books are not damaged, please carry water bottles separately. Thank you.
