### Announcements

*Please complete the yellow forms and codes of conduct for the residential trip. These need to be returned ASAP.*

*Please note that we have been advised that your child's passport should have at least 6 months remaining on it when we go to France in September.*

Dear Parents & Carers,

We had a lovely end to the week with World Book Day and Bounce for Books. There were some brilliant costumes on Thursday and the children were very excited to see each other dressed up. Special mention needs to go to the children who entered the Book in a Box competition. The boxes were excellent and it was clear that the children had really thought carefully about how to display their chosen book. Much of the work was incredibly detailed and intricate. The winning boxes will be on display in reception. The prizewinners are off to visit the 'Alligator's Mouth' children's bookshop in Richmond, where they will choose new books for the school. Well done to all involved.

Lime and Cedar began their clarinet lessons last week and will now be able to bring their instruments home - if they have had the letter signed by their parents. Please encourage the children to get practising!

We understand there were a few issues with accessing the homework on Mathletics last week. We have had another go this week! Please let us know if the problems persist. Thanks.

Have a good weekend!

Year 5 Team ☺

### Homework Reminder

**Maths Homework:** The homework this week has been set on Mathletics in honour of World Maths Day, which is coming up next week. Please log on and complete the tasks your teacher has set for you.

#### Spelling

This week the children should be learning the (and we will test the **root words**). The complete Y5/Y6 word list can be found in your child's school diary. Do not forget that you should continue to revise the Y3/4 list. Your child may have been given an individual list of words to learn. If so, they should focus on these as a priority.
