

Spring!

We have continued our spring learning and have thought about why we love this season. We looked at colourful flowers, beautiful blossom, baby animals and the celebrations we enjoy in spring.

Eggs!

Our living eggs arrived this week and they have already ALL hatched!! We really enjoyed visiting them to watch them grow from 10 tiny eggs into 10 fluffy chicks! We loved finding out about their life cycle and we can't wait for them to visit Daisy class next week!

Stay and Play

Thank you to all of the parents who stayed and played this week. The daisies had so much fun playing with their grown ups and showing them around Daisy class.

Daisy Class

Please help...

We will be making Easter bonnets and Easter related crafts next week so if you have any resources that might be useful, please send them in and they will be hugely appreciated!
Thank you!

Mother's Day

We have spent lots of time this week thinking about our lovely mummy's! We talked about why we are grateful for all the things they do for us and have made them a special card and present!
♥ Happy Mother's Day! ♥

Home learning challenge

We have been practising our cutting and having a go at cutting along a straight line. Can you have a go at home? You could try a straight line, zigzag or perhaps a circle. Remember ... keep on going and never give up!
